

Hello Change Makers!

We are excited to announce that applications are now open for Grant Tank 2025! After the incredible success of last year's event, we're thrilled to invite eligible nonprofits to participate in this unique opportunity to secure funding and drive positive change in our community.

Grant Tank is our innovative twist on the popular Shark Tank format, where nonprofit organizations can pitch transformative initiatives to a panel of generous donors, known as "Sharks." Grant Tank is envisioned to keep the grant funding process simple, fun and to the point so that organizations can remain focused on your important work.

WHY YOU SHOULD APPLY?

Secure Crucial Funding: This is your chance to receive the financial support needed to bring your organization's mission to life.

Showcase Your Impact: Present your work to a live audience and influential donors who are passionate about supporting causes that matter.

Pro Bono Consulting: Grant Tank participants will have access to Pro Bono Consulting, which helps provide organizations with advice and resources at no cost.

Success Stories: After the event, participating organizations have provided updates stating RevComm's resources have helped them secure additional grant funding and purchase vital products.

Through the success of Grant Tank \$18,450 in funding was provided to worthy organizations.
