RE: Recommendation of Joan Rudder-Ward

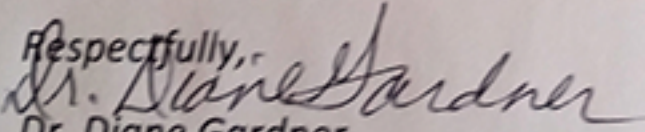

To Whom It May Concern:

I am Dr. Diane Gardner, author and founder/CEO of God's House of Favor Leadership Training, Beautiful Women of God Seminars International and Diane Gardner Mentorship Ministries. I met Joan in the mid 1980's and have found her to be a gifted, and resourceful person with integrity.

I have used the services of Joan Rudder-Ward and her company Image Maker Visual Communications since 1985 for several organizations that I've been the head of. Her company has provided media consultation and service with photography, video, and graphic design.

Over the years I've recommended Joan to several organizations and leaders and they have used her with successful results. Many have become repeat clients for her.

I highly recommend Joan Rudder-Ward to you today.

Respectfully,

Dr. Diane Gardner
