To Whom It May Concern:

I have had the pleasure of knowing Shilla Chamberlain both personally and professionally for over ten years.

I have found her to be extremely knowledgeable and professional in the filing of our exempt returns.

She has always been available to answer questions and offer advice on accounting-related matters, as well. I trust her opinions explicitly.

Personally, I find her to be honest, caring and dedicated to her family, friends and clients.

I would highly recommend her to any organization looking for an accountant with the highest character, to provide quality work and exceptional customer service.

Sincerely,

Andrea Lossing
