To Whom It May Concern:

It is a genuine pleasure and honor for me to provide this letter of recommendation in support of Jenai Morehead.

Ms. Morehead's remarkable talents for business, management, and communication make her an excellent advisor and consultant for nonprofits and other small businesses. She has vast knowledge, is a dedicated advocate and teacher, and she meets every challenge, deadline, and goal presented with grace and ease.

Rarely do you come across someone who is talented at both big picture ideas and executing the small details — Jenai is just that person. She is a strong presence and a guiding force for the nonprofits she has shared her knowledge with and helped as a consultant of the Center For Nonprofit Advancement. She is one of our member's favorite consultants, and she always receives positive comments from those she works with.

I highly recommend Jenai Morehead as a consultant. She is an asset to any organization. Please do not hesitate to reach out at the email below if you have any further questions.

Sincerely,

A handwritten signature in black ink, appearing to be 'SM', is located below the word 'Sincerely,'.
