To whom it may concern,

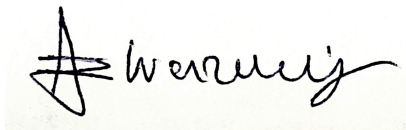

I had the distinct pleasure of being Jenai Moorehead students For Nonprofit Management Certification at the University of California Extension, Riverside, CA. Jenai has also been my personal mentor and has served as advisor for our Nonprofit Organization.

Jenai has always presented each class with an impressive array of professional experience in Nonprofits and Entrepreneurship. From the beginning she impressed me with intelligent questions and an inquisitive manner when receiving her mentorship. Her ideas can be applied as solutions to current challenges in our communities and businesses.

Our organization has been blessed with her advice and mentorship. She helped us to successfully acquire our 501c3 status and she has been a constant voice of advice for the organization.

Jenai is a humble passionate person. She cares about communities and the lives of people who face insurmountable odds. It is my honor to recommend Jenai for the employment or consulting opportunity at your organization.

Sincerely,
