Re: Letter of Recommendation

To Whom It May Concern:

It's my pleasure to recommend Cheryl Peterson of Nonprofit Profit Growth & Grants as a grant writer and consultant to your nonprofit organization.

Cheryl and I have worked together since 2015 when Assistance League of Temecula Valley we contracted for grant writing services. I enjoy my time working with her and she is a valuable asset to Assistance League of Temecula Valley.

She is experienced in both private foundation grants and government grants such as Community Development Block Grants (CDBG), Community Support Funding and Community Improvement Development grants. She is honest, direct and to the point, knowledgeable and current about grant opportunities and requirements. She is very reliable and uses her knowledge and skills to effectively respond to all grant application and reporting requirements.

Along with her experience, education and knowledge of nonprofit funding challenges, Cheryl has always been a joy to work with. She is a team player, fosters positive discussions and change, all the while working hard and making it her purpose to win more grant funding so that Assistance League of Temecula Valley can better serve those in need.

I confidently recommend Cheryl as a grant writer/nonprofit consultant. As a dedicated and knowledgeable professional and an all-around responsible person, I know that she will be a beneficial addition to any nonprofit organization.

Please feel free to contact me at (951) 970-6034 with any questions you may have regarding Cheryl's recommendation.

Sincerely,

Dorcas Shaktman
